A. In the case of a town or plantation, the legislative body of the town or plantation has voted to allow some or all types of cannabis establishments within the town or plantation, including the type of cannabis establishment the person seeks to operate and the person has been issued by the office a conditional license to operate the cannabis establishment pursuant to section 205, subsection 3; or [PL 2023, c. 679, Pt. **2. Minimum authorization criteria.** The Maine Land Use Planning Commission may not certify to the office local authorization of a cannabis establishment within a town, plantation or township located within the unorganized and deorganized areas pursuant to subsection 3 if:

A. The cannabis establishment is proposed to be located within 1,000 feet of the property line of a preexisting public or private school, except that, if the Maine Land Use Planning Commission prohibits the location of cannabis establishments within a town, plantation or township at distances less than 1,000 feet but not less than 500 feet from the property line of a preexisting public or private school, that lesser distance applies. For the purposes of this paragraph, "school" has the same meaning as in section 402, subsection 2, paragraph A; or [PL 2017, c. 409, Pt. A, §6 (NEW); PL 2021, c. 669, §5 (REV).]

B. A, §6 (NEW); PL 2021, c. 669, §5 (REV).]
