

§4-1106. Time payment order received

(1). The time of receipt of a payment order or communication cancelling or amending a payment order is determined by the rules applicable to receipt of a notice stated in section 1-1202. A receiving bank may fix a cut-off time or times on a funds transfer business day for the receipt and processing of payment orders and communications cancelling or amending payment orders. Different cut-off times may apply to payment orders, cancellations or amendments, or to different categories of payment orders, cancellations or amendments. A cut-off time may apply to senders generally or different cut-off times may apply to different senders or categories of payment orders. If a payment order or communication cancelling or amending a payment order is received after the close of a funds transfer business day or after the appropriate cut-off time on a funds transfer business day, the receiving bank may treat the payment order or communication as received at the opening of the next funds transfer business day.
