

§5324. Community action agencies

1. Designation. Community action agencies must be designated by the division to carry out the purposes of this chapter. In making these designations, the division shall solicit and consider comments from other state agencies or authorities that operate programs in which community action agencies participate. These designations are for 7 years.

[PL 1995, c. 502, Pt. D, §14 (AMD).]

2. Designation withdrawn. The division may withdraw its designation of a community action agency after an evaluation in which the agency has demonstrated substantial incompetency and a clear inability to carry out the purposes of this chapter, unless there is or has been financial malfeasance, which may be cause for immediate withdrawal of designation. In performing these evaluations, the division shall solicit and consider comments from other state agencies or authorities that operate programs in which the community action agency participates.

The division shall notify an agency of a pending withdrawal of designation. Upon notification, the agency has up to 6 months to take corrective action, at which time a designation withdrawal evaluation must be performed by the division. Failure to pass this evaluation means immediate loss of designation.

Upon the final order from the division that rescinds a community action agency's designation, the community action agency may file a petition for review of this final decision in the appropriate Superior Court within 30 days under the Maine Rules of Civil Procedure, Rule 80B.

[PL 1995, c. 502, Pt. D, §14 (AMD).]
