

§6111-A. Liens for unpaid rates; multiunit residential rental property

1. Liens for unpaid rates; water utilities. A water utility has a lien on real estate served by that water utility to secure the payment of unpaid rates.

[PL 2011, c. 97, §1 (AMD).]

2. Rental property; water utilities. Notwithstanding section 706, when a landlord has applied for and is granted water utility service to a multiunit residential rental property, the water utility has a lien on the property and on any interest the landlord has in the multiunit residential rental property to secure payment for the water utility's service to that property with costs and with interest at a rate not to exceed the highest lawful rate set by the Treasurer of State for municipal taxes.
